**POSTSEASON APPEARANCES:** This season marks the Astros 11th time in the postseason and their seventh time as a division winner, also winning the NL West in 1980 and 1986 and the NL Central in 1997, 1998, 1999 and 2001...Houston is the first team in Major League history to win three different divisions.

**IT'S TIME:** The Astros have completed 55 seasons without a championship since their inception in 1962, which ranks as the third-longest championship drought in the Majors.
